

Remarks

As above indicated, this Corrected Preliminary Amendment replaces the Preliminary Amendment submitted on May 8, 2006. Examination should be based on the claims presented in this Corrected Preliminary Amendment. The original Preliminary Amendment included claims not corresponding to the originally presented claims.

The claims have been amended to delete multiple dependencies. In the event there still remains a claim that depends from more than one claim, the Office is hereby authorized to amend such claim to depend from the first mentioned of the multiple claims from which it depends.

Respectfully submitted,

/Don W. Bulson/
